Dear Secretaries,

RE: **CATS QUEENSLAND'S NEW SOCIAL MEDIA POLICY**

At our recent meeting we have brought into effect, as of our first show for 2016, our new Social Media Policy included below.

“CQI prohibits the uploading of show results, images, comments pertaining to show procedures, show management, results, judges or judges’ comments to social platforms such as Face Book, Twitter and Instagram etc. until the close of show and official results have been finalised.

Failure to comply will result in the disqualification of the up-loaders (either by self or proxy) entries and the forfeiture of any points accrued during the course of the show.”

At the combined Council Meeting 2015, all delegates present agreed that a common policy would be advantageous. As nothing has been put forward to date, we feel this will at least be a good start and can be elaborated on if others feel more detail needs to be added.

Yours sincerely,

Carolynn Davis
