## THE CCCA

The CCCA is a national body that was established in the late 1970s to address a need for unification among several of the largest cat control bodies in Australia. The CCCA Inc. now has affiliates in most states that support the national uniformity of policies for the conduct of shows, training and appointment of judges, registration of cats, definition of classes, and the awarding of championships. This standardisation allows exhibitors and breeders to show cats around Australia.

### MARILEE GRISWOLD (CFA USA)

When I was a music major for vocal performance in college, I would never have guessed I would end up here! I started my official journey into pedigreed cats in 1994, when I started medical school (a far cry from music, I know).

I started with Scottish folds and got "hooked" into the fancy. From 1998-2006, I was active duty in the United States Navy, though I continued to be an active exhibitor and breeder. The cats were always with me and ultimately decided my fate to leave the service. Now I work as a forensic psychiatrist, which gives me the flexibility needed to judge on the weekends. I have continued to be an active Scottish fold and British shorthair breeder and have produced 2 National winners, 33 Grand Champions as well as many Regional and Best of Breed award winners. I have bred 2 cats to the coveted Distinguished merit award and have a Cattery of Distinction, Tier II. I have owned and shown American shorthair, British shorthair, Russian Blue, Oriental shorthair, Abyssinian, Scottish Fold, Maine Coon, Persian, Exotic, Turkish Angora and Birman breeds. I have additional experience with breeds such as Siberian, Somali, Siamese, Havana Brown, Colorpoint shorthair and Himalayan.

I was accepted into the judging program in 2013 and work diligently to be the best I can be. It is my honor to judge all over the world and I strive to treat all cats and exhibitors with respect. I have a strong sense of justice and judge all cats on beauty and merit as defined by the breed standard. I am hopeful you can see my passion through my work and dedication.

### JOHN WEBSTER (CFA USA)

My first cat was a himalayan and because I enjoyed the breed so much, upon retirement I began to breed & show Himalayan, Solid Colour Persian & Exotics. In my cattery I have hosted and shown Abyssinians, American Shorthairs, Birman, Exotic, Persian and Singapuras.

As an agent, I have also shown American Curls, American Shorthairs, Ocicat, Oriental, Russian Blues, Siamese, Tonkinese and Turkish Angoras.

I was involved with the industry for over 13 years before I became a judge. Since 2003 I have been a CFA Judge and have had the pleasure of judging internationally in Austria, Australia, Bulgaria, China, Germany, Hong Kong, Italy, Japan, Malaysia, New Zealand, Russia, Slovenia, Sweden and Thailand.

I continue to show and breed our cats and in our spare time, my wife Debbie and I enjoy spending time with our grandchildren.

### JAN ROGERS (CFA USA)

I began in the cat fancy in 1987, when I went to my very first cat show in the USA. I fell in love with the beautiful Birman cat, and it has been the heart of my cattery since. I have been fortunate to have bred some outstanding Birmans, and enjoy to this day, having had the first both male and female Grand Champion Lilac Point Birmans in all of CFA, worldwide.

I continue to breed Birmans and have an occasional litter of American Wirehair kittens.

In 1999 I started my journey in the judging program for CFA. I am proud to be an all breeds judge in CFA. I have enjoyed traveling to shows, and most importantly, being able to share my love of the cats with others. I am eager and interested in other cat fancy associations, and each provides unique insight into our common bond, the cat. I have worked diligently to educate the public in our hobby.

Never have I left a show hall without learning something new about our cats, and the different breeds, and for this I am grateful. I have been blessed with many cat lover friends around the world who have shared their vision and their cats with me. It has brought me profound understanding and respect of all the hard work that so many people put into our hobby.

I am a graduate of Purdue University (BS in Agriculture) and Indiana University (MBA in Finance) and have run my own business since 1990.

Currently I serve as the American Wirehair breed council secretary for CFA, and also hold many official positions in several CFA clubs. I continue to be active in the cat fancy. I also work with breed rescue, pedigreed cat rescue. I

enjoy working with education and pet therapy in nursing homes and schools while continuing the promotion of the pedigreed cat, and all cats, wherever I travel.

I am honored to be included in the shows in your country, and wish you continued success in the cat fancy. If there is anything I can ever do to help in the future, please don't hesitate to call.

### DAVID REDTFELDT (ACFA USA)

My wife and I are retired elementary school teachers. For 34 years we lived and taught on USA military bases in 3 countries in Europe: Iceland (1 year), Germany (2 years) and England (31 years). While in England, we began our association with GCCF in 1976, when we were given a show quality Seal Birman spay.

I then applied for my breeding prefix, BELLEVIEW, in 1977, got my first Birman queen, and attended my first GCCF show. We bred Birmans, then Persians from 1978-1989. We bred the first GR CH Birman female adult in GCCF (1983) and she along with the first GR CH Birman male adult became the first Birman adult GR CH Birmans in GCCF (1983 – same show)

I became a GCCF judge in 1985 and was until 2009. I was accepted in ACFA in 2007. I did my specialty judging from 2007-2009. In 2009 I was advanced to all breed judge. I resigned from GCCF in 2009. In 2012 I was advanced to All breed Training judge. In 2017 I was advanced to All breed Teaching judge, the highest you can go in ACFA.

I have judged for 33 years. While a GCCF judge, I judged in France, Germany, Sweden, Norway, Ireland, and the Channel Islands. I also, judged in Moscow, Russia in 1990, and New Zealand in 1997, at the Birman Show in Auckland.

I have judged in all 9 Regions for ACFA, and in 6 Canadian Provinces. I have also judged for CCA, the Canadian Cat Association in 2017.

I love to judge, and know it is a great responsibility. I feel so blessed to have a hobby that gives me so much pleasure!

### CHERYLE U'REN (FCCV)

I have been a member of the CCCA Member Body the Feline Control Council of Victoria since its inception in 1962. I was first licensed to judge in 1965.

Over the past 50 years I have gained broad experience with judging appointments throughout Australia and New Zealand plus USA, United Kingdom, Europe, Hong Kong, Singapore, Thailand, Brunei, Malaysia, South Africa, Indonesia, Japan, Taiwan and a great many parts of China thus gaining valuable knowledge into international variations of breeds of cats.

I am an FCCV and CCCofA National Tutor and Examining All Breeds judge and am involved in lecturing and conducting of Judges Seminars for both organizations.

Over the years I have shown my preference for breeding and showing with great success top quality Persians in Solid, Himalayan and Marked colours and more recently Singapuras.

I am currently serving as President of the Co-ordinating Cat Council of Australia (CCCA) plus Chairperson and holding various positions on many sub-committees relating to judging, breeding, showing and standards matters.

I am honored also to be currently serving as the Vice President of the World Cat Congress. It is a great privilege to represent the CCCA at this level and exchange ideas with such knowledgeable and enthusiastic delegates from all the major international Feline organizations.

### JULIA NICHOLS (FASA)

Julia has been judging for almost 30 years and has judged all over Australia, in New Zealand, Asia and the USA. She is currently involved in training the next generation of judges in South Australia and also represents the Feline Association of South Australia at CCCA.

Julia has owned Burmese for 30 years and sometimes shows and breeds them. As a vet Julia enjoys difficult cat cases and helping breeders with their problems. She also has a keen interest in animal welfare and has worked for shelters and other welfare organisations.

### MARGARET SIM (NSWCFA)

I have always had cats, firstly moggies then my father bred Seal Point Siamese. I met a pair of Burmese in the early 1970's and fell in total love with them, especially the Blue Burmese. When I settled down in

Sydney I went in search of a Blue Burmese and ended up with a Lilac and Chocolate – they converted my partner Don to cats and in particular Burmese. He in turn converted me to Labrador Retrievers.

We moved out of the city to Moss Vale, we had space and time so I commenced breeding and showing in 1987 under the prefix Bima. I breed all colours of Burmese and love them all but my favourites are blue, red and blue tortie. This led to stewarding which gave me a love of many other breeds and in 1994 I commenced a judging course. I completed Group 2 in 1996, Group 3 in 1998 and in 2009 completed Group 1.

I have judged in most states of Australia as well as in New Zealand. I have been involved in clubs as club secretary, committee member and am currently President of the Burmese Cat Society of Australasia.

I have experience as show manager as well as working in card rooms and trophies, also lots of experience setting up and pulling down shows. In my other life I am a registered nurse and midwife and currently work in a neonatal nursery. I have experience in management, aged care, education, women's health, aboriginal health, community health and paediatrics. My other interests are gardening, patchwork and quilting.

### MAUREEN NORBERRY (NSWCFA)

I became involved with cats and the Cat Fancy about 30 years ago with the gift of a seal point Siamese kitten who became the mother of my first show kitten – a blue point Siamese.

Since that first show I have been actively involved with the Cat Fancy as an exhibitor, breeder (chiefly Orientals and Siamese but also Devon Rex) and worker – being regularly involved in the running of shows and assisting on the executive of a number of Clubs. I am a Life Member of the Oriental Cat Club of NSW. Although I no longer breed cats, for nearly a decade I have had the pleasure of sharing my home with some wonderful Norwegian Forrest cats, which I also enjoy showing when possible.

I am currently Senior Vice President of NSW CFA, an active member of the Management Committee and a member of two NSW CFA sub committees – including the Judges/Breeds sub committee, which I chair. I recently finished co-ordinating a Shorthair Judges Training Course, a challenging but rewarding experience.

I commenced judging with Group 2 (1996), followed by Group 3 (1998) and in 2005 I completed my Group 1 training and am now an all breeds tutor judge. I have enjoyed immensely judging around Australia and regularly in the North and South Islands of New Zealand.

Away from the Cat Fancy I am a solicitor. In my rare moments of spare time I enjoy sourcing art deco and retro furniture, gardening, bushwalking and reading.

27. No exhibit shall be removed from the Hall before completion of prize giving without the permission of the Show Manager.
28. No award cards or ribbons, other than those won at the show, may be displayed.
29. All exhibits at CCCA shows are judged according to the Standards of the CCCA. No breed numbers will be used. All breeds and colours will be fully written.
30. The Breeds and Groups permitted at a CCCA show will be in accordance with the Standard Group at the time agreed to by the Affiliate bodies.

## CCCA NATIONAL CAT SHOW 2018 – CITY OF LOGAN

33. Challenge and Award of Merit Certificates awarded to Supplementary Register must be marked with the letters "SR".
34. A Judges decision on the merit of an exhibit shall be final unless such decision is contrary to the rules under which the show is conducted. Judges shall be empowered and instructed not to award any prize; Challenge or Award of Merit to any exhibit which they consider is not of sufficient merit

If the cat is declared UTH again it will be permanently disqualified for life. This is a minimum standard which individual member bodies may exceed.  
  
**UTJ** Any cat that is unable to be safely taken from the cage to the table and handled sufficiently to be judged is to be declared **UNABLE TO BE JUDGED (UTJ)** by the judge and no award is to be made. This is effective in that ring only, with no cumulative effect towards disqualification.
37. Officiating judges may enter exhibits in competition providing they are only entered in sections which they are NOT officiating. Such judges are categorically excluded from conferring with judges of cats in sections in which they are exhibiting and from sitting on any panel, including Supreme Exhibit, in the event that the exhibit owned by them should be presented to such panels.

An exhibit will be deemed to be subject of this regulation if it is an exhibit in which the Judge or Judge's spouse or partner or children or parents and siblings have or have had a direct or indirect proprietary interest.
39. Where possible stewards will not assist Judges in classes in which they have entered exhibits.
40. Each judge will submit his Best and Reserve Special Awards to the Show Management for submission to the panel judging Supreme and Reserve Supreme Exhibits. Panel judging may be used at the discretion of the Show Committee for any category, but all decisions of the members of the panel must be by secret ballot.
41. Any complaint regarding the management of the Show must be submitted in writing, together with a \$20.00 fee, to the CCCA Secretary within (7) days of the conclusion of the show. The fee will be refunded should the protest be upheld.
