QFA 2019 2 Day Cat Spectacular Judge's Profiles

I began in the cat fancy in 1987, when I went to my very first cat show in the USA. I fell in love with the beautiful Birman cat, and it has been the heart of my cattery since. I have been fortunate to have bred some outstanding Birmans, and enjoy to this day, having had the first both male and female Grand Champion Lilac Point Birmans in all of CFA, worldwide. I continue to breed Birmans and have an occasional litter of American Wirehair kittens. In 1999 I started my journey in the judging program for CFA. I am proud to be an all breeds judge in CFA. I have enjoyed traveling to shows, and most importantly, being able to share my love of the cats with others. I am eager and interested in other cat fancy associations, and each provides unique insight into our common bond, the cat. I have worked diligently to educate the public in our hobby. Never have I left a show hall without learning something new about our cats, and the different breeds, and for this I am grateful. I have been blessed with many cat lover friends around the world who have shared their vision and their cats with me. It has brought me profound understanding and respect of all the hard work that so many people put into our hobby. I am a graduate of Purdue University (BS in Agriculture) and Indiana University (MBA in Finance) and have run my own business since 1990. Currently I serve as the American Wirehair breed council secretary for CFA, and also hold many official positions in several CFA clubs. I continue to be active in the cat fancy. I also work with breed rescue, pedigreed cat rescue. I enjoy working with education and pet therapy in nursing homes and schools while continuing the promotion of the pedigreed cat, and all cats, wherever I travel. I am honored to be included in the shows in your country, and wish you continued success in the cat fancy. If there is anything I can ever do to help in the future, please don't hesitate to call.

Jan Rogers

(CFA USA)

I started breeding Himalayan-Persians close to 30 years ago, after attending the annual cat show in Pittsburgh, PA. I have met many breeders over the years & visited many catteries. I have had COTY & 2nd best cat of the year & both runs were fun. However, there is no other feeling like getting BEST! I have found my most success with other people as partners. Sharing has been the one consistent move I have always felt strongly about. I started breeding Exotics about 15 years ago & I produced better cats with this breed than with Persians. I have let the cat fancy take me to exactly where I am supposed to be & am happy. I have been judging for 5 years & the cat fancy is taking me all around the world. I have judged in Ukraine, Italy, Tokyo, Shanghai, Amsterdam & now Australia. I carry the standards with me always & refer to them often. I ask questions about the breeds to other judges & breeders regularly. I strive to look at each cat as if it is the only one entered.

Hope Gonano

(CFA USA)

I have been involved in the cat fancy for over 30 years being introduced to the cat fancy by my mother. I bred and showed Persians including silvers, pointed varieties and bi colours and of course like many others, devoted time working at cat shows. My house has the bounce of the shorthair Singapura and the beauty of the Persian; I have held a number of executive positions within the cat fancy and previously, served on the NSW CFA Management Committee. I am an All Breeds Judge and a Group 1 Tutor Judge. In my spare time I work full time in local government managing a large team of community workers and enjoy the company of my daughter, my cats and dog, Eddie.

Barbara was introduced to and instantly fell in love with the Burmese breed in 1979 and began breeding under her Riokay prefix. In 1988 she decided to breed Abyssinians as well. She has also imported Somalis and bred Burmillas, Tonkinese and Maine Coons. Barbara bred Supreme Exhibit winners in both Burmese and Abyssinians and has had numerous Best Kitten and Cats of the Year with QFA. She has twice proudly achieved Group 3 Prefix of the Year with QFA.

Barbara began training with QFA as a Shorthair judge in 1988. After judging for a couple of years she started training in Longhairs and in 1998 became an All Breeds judge with QFA. She has judged and continues to do so throughout Australia and New Zealand and has also judged in Kuala Lumpur, Germany and the Netherlands. In 2017 Barbara returned as President of QFA Inc. Barbara was President of QFA Inc. from 2002 – 2015. She is also currently President of Burmese Cat Fanciers Club of Qld and previously held the positions of President of the Abyssinian & Somali Cat Club of Qld and is currently the President of the Gold Coast Cat Club.

Barbara LaRocca
(ACF QFA)

I am licensed by the Queensland Feline Association Inc. (QFA) and have been actively involved in all facets of the cat fancy since 1976. I am also an ACF Inc. International All Breeds Judge and since 1992 have enjoyed judging regularly in all Australian States and Territories and throughout New Zealand. I have also judged in Germany, Netherlands, Malaysia, Sweden and South Africa. I am currently serving as President of QFA Inc., a Tutor Judge and as President of the QFA Inc. Judges Association. At Club level I serve as President and a foundation member of my club Flash Felines Inc. and am a life member of the ACT Longhair Cat Club (of Canberra, where I began my journey in the cat fancy). I love to share my knowledge and experience with breeders, exhibitors and trainee judges. I have adored cats since I was a small child and my fascination with felines is no less today. From the time I became involved in the cat fancy I enjoyed every aspect so much that I was keen to study and become a judge. This has allowed me the privilege and great pleasure of being able to regularly handle many beautiful cats and kittens and to meet and talk with their proud breeders and owners. I started out breeding and showing Persians - colour bred blues, creams and blue creams which were very popular at the time. In 1989 I added other colours and patterns to my program including patched, tabby and silver and I also began an Exotic program from Gen 1. I only ever bred from a very small number of cats but was pleased to enjoy much success with both breeds over the years and was fortunate to achieve Cat of Year awards in 1987, 1990 and 1998 – each time with a Blue Persian! I no longer have entire cats having dedicated the last 15 years to the care of my retired and desexed breeding and show cats as they lived out their lives in peace and familiar surroundings. Along with my husband, I now give all my love and care to our young show neuters, an Exotic and a Russian, these youngsters having brought me back to the fun of being an exhibitor once again. I very much look forward to judging your cats and kittens.

Marie was first introduced to cats at a very young age and they have continued to fascinate her ever since. She became the owner of her first pedigreed cat, a Birman, in 1985 when her prefix Nicsha was granted. Marie's first imported cat was a lilac point Birman male from the UK. In 2003 her other prefix Miakoschka was granted following her decision to import Siberian cats and create the gene pool for the success of this breed. She realised she could not have so many Birman colours if she was to continue with her Siberians so today she breeds Birmans in Seal and Blue Points only.

Marie became a Companion Cat judge in 2003 and a Group 1 (Longhair) judge in 2004 (QFA). She has judged in Queensland, NSW, Victoria and New Zealand.

She is currently the Vice president of QFA Inc. President of the Birman Cat Fanciers Club of Qld and has been in this role since 1997 and is a Life Member of the Club. She is also Treasurer of the Semi-longhair Cat Club of Qld Inc..

Anne qualified as a Group 1 judge with FCCQ in 2009. She began her judges training in Groups 2 and 3 in late 2009, and was licensed as an open Group 2 judge with FCCQ in 2011. She completed her shorthair training and became an approved Allbreeds Judge in 2012.

Cats have always been part of Anne's family; however it was not until 1999 that she discovered the cat fancy. Beginning in the year 2000, Anne began breeding and showing Maine Coons. She was one of the first to introduce the breed to Queensland, and among the first handful of Maine Coon breeders in Australia at that time. Anne concentrates on health, temperament and quality in her small breeding programme which has produced some successful show winners and Cat of the Year winners during that time, but more importantly has produced healthy well-balanced kittens who bring joy to their families.

Anne is committed to supporting and promoting the cat fancy, and has held a number of executive positions in cat clubs. She is currently the Secretary of the Siamese and Shorthair Cat Club of Qld Inc, and Secretary of the FCCQ Judges Guild. She assists with, and manages cat shows, and is an active member of the Feline Control Council of Queensland Inc.

Outside the world of cats, Anne works as a Senior Engineering Technician with a large international Engineering Consultant. She also enjoys reading and travel. Anne lives in Hervey Bay, a few hours' drive north of Brisbane, but uses Brisbane as her base for judging and showing.
